

Manufactured Home Advisory Committee
Minnesota Building Codes & Standards Division
Agenda
June 26, 2003 (1:00-3:30 p.m.)

- **Advisory Committee** (*Attendance and introduction of any new members*)
- **Update of proposed HUD manufactured home rule changes**
 - **Installation Standards** (*MHCC vote of first draft at August 22, 2003, meeting*)
 1. Standards will be for HUD and in states with no program.
 2. Installer certification
 3. Anchor testing protocol
 - **Dispute Resolution**
 1. Minimum standards with no set program (hearings, arbitration, etc.)
 - **On-site Completion**
 1. Replaces CFR3282.14 Alternate Construction (AC) Regulations
 2. Site work as part of manufacturing process
 3. Not subject to local codes
- **Advisory Committee Projects**
 - Review 1350 Rules for changes
 1. Anchor standards 1350.2800 and 1350.2900
 2. Possible to adopt Federal Standard if definition “Authority Having Jurisdiction” is allowed to be amended.
 - Review impact of change, Statute 168A “Titling” to sales laws 327B
 1. This may effect real estate licensing
 2. May be effected by Federal on-site completion rules
 - Begin reviewing 24-item checklist for changes
 - Discuss possible licensing of manufactured home sales persons
- **Schedule next meeting**
- **Adjourn**
