

Minnesota Manufactured Homes Advisory Committee

Purpose

- Review Federal and State Laws and Rules for manufactured housing
 - Assure compliance to changes in Federal standards and regulations (installation, dispute resolution, on-site construction, etc.)
 - Assure consumer protection to the public of MN

Role

- Report suggested changes to the State Building Official
- Advisory only, the committee does not have the responsibility to write, adopt, or administer rules.
- Invaluable source of information when writing SONAR (Statement of Need and Reasonableness).
- Review other similar rules and laws for drafting changes.
