

RESIDENTIAL ENERGY CODE ADVISORY COMMITTEE

AGENDA

WEDNESDAY, January 14, 2004 – 9:00 A.M. – 12:00 Noon

1. Call meeting to order (Don Sivigny, Chair)
2. Approval of November 26, 2003 minutes
3. Presentation by Dr. Goldberg on Foundation research (discussion to follow)
4. Presentation by Paul Ellringer on Vapor Retarders (discussion to follow)
5. Review of any Code Change Submittals (please provide a copy for each committee member in Official Code Change format)
6. Continue detailed review of DOE chapter 11 as proposed. Starting with 1102.2.6 **Please note that this will CONTINUE our detailed review, item by item, of the proposal. Any alterations or changes that are to be made will be documented and assigned to a committee member to submit as a code change using the proper forms as provided to the committee. These changes will then be reviewed at the next meeting by the committee for final approval or amendments. It is essential that we review each paragraph in its entirety as to its content. A lot of information has been placed in each paragraph of this document in an attempt to simplify the language. WE MUST BE VERY CLEAR ON THAT THE INTENT IS WHAT IT SAYS. WE CANNOT LEAVE ANYTHING OUT.**
7. Other Items- TBD
