

**Backflow Certificate Holders  
- Restricted to Testing Only -**

Searching this List is done by selecting the Binocular Search tool from the Adobe Reader menu bar and then entering the registration number or the individual's last name in the search field.

Certificate Holder Addresses must be maintained by the certificate holder through notification of a change in address. Certificate holders that are also licensed plumbers will have their address changes automatically updated when changing their address for the plumbing license and do not need to provide a separate notice.
