Proposed Code Change - Language

Please provide your proposed code change in strikeout/underline format. Provide the *specific* language you would like to see changed, with new words underlined and words to be deleted should be ~~stricken~~. Also, state whether the language contained in your proposal is from a code book or from an amendment currently found in Minnesota Rule. (You may provide the language (electronically) on a separate, attached sheet).

1307.0090 EXISTING INSTALLATIONS

Subp. 8. Removal of existing elevators, dumbwaiters, escalators and moving walks.

C. **Dumbwaiters.** Prior to new installation, elevator personnel must remove all dumbwaiter-related equipment that will not be reused on the new installation. If removal of the unit is part of building demolition or the hoistway is not reused for dumbwaiter equipment, elevator personnel must remove the unit from service by safely landing the dumbwaiter and counterweights at the lowest landing.

D. **Escalators and moving walks.** Prior to a new installation, elevator personnel must remove all escalator or moving walk-related equipment that will not be reused on the new installation. If removal of the unit(s) is part of building demolition elevator personnel must remove the unit(s) from service by safely removing power and permanently securing the steps and drive chains to prevent unintentional motion of the unit(s)

Re letter remaining Subp. 8.

~~D.~~ E. **Dormant Elevator, dormant dumbwaiter, or dormant escalator.**

~~E.~~ F. **Temporarily dormant elevator, temporarily dormant dumbwaiter, or temporarily dormant escalator.**

Proposed Code Change – Need and Reason

Please provide a thorough explanation of the need for this change and why this proposed code change is a reasonable change. During the rulemaking process, the Agency must defend the need and reasonableness of all its proposed changes. The Agency must submit evidence that it has considered all aspects of the proposal. (You may provide the need and reason (electronically) on a separate attached sheet).

To prevent unintentional injury to persons not trained in the removal of dumbwaiters, escalators and moving walks.

Proposed Code Change – Cost/Benefit Analysis

Please consider whether this proposed code change will increase/decrease costs or indicate that it will not have any cost implications and explain how it will not. If there is an increased cost, will this cost be offset somehow by a life safety or other benefit? If so, please explain. Are there any cost increases/decreases to enforce or comply with this proposed code change? If so, please explain. (You may provide the cost/benefit analysis (electronically) on a separate, attached sheet).

No cost increase due to the prevention of possible bodily harm from unintentional motion to persons that do not have proper training in the safe removal of dumbwaiters, escalator steps and drive chains and moving walk pallets.
