<b>Minnesota Rules, Chapter 7511</b>					
<b>Possible Amendment to and Repeal of Rules Governing the Minnesota State Fire Code</b>					
<b>Subject matter</b>	The Department of Labor and Industry, in conjunction with the State Fire Marshal Division of the Department of Public Safety, is considering: 1) amendments to rule parts governing National Fire Protection Association standards that are referenced in the Minnesota State Fire Code in order to update these standards, and 2) possible repeal of rule parts governing minimum flammability and labeling standards for seating furniture in public occupancies, as these requirements are now part of the International Fire Code, which the State Fire Code incorporates.
