Directions, parking: www.dli.mn.gov/Direct.asp

Minnesota OSHA Workplace Safety Consultation (WSC) invites safe patient handling practitioners to a facilitated discussion about the patient handling issues being faced in hospital settings.

WSC will facilitate this meeting to allow participants to discuss safe patient handling issues openly and share information that improves patient handling outcomes. What's working? Where are the challenges? What are the successes? How is training being handled?

Presentation – 1 to 2 p.m.

- Erin Swanson – Fairview Health Services, System Injury Prevention/Ergonomics Specialist

Fairview Health Services is an award-winning nonprofit health care system based in Minneapolis that provides exceptional, coordinated health care – from preventing illness and injury to caring for the most complex medical conditions.

Open discussion – 2 to 3 p.m.

- Send suggested agenda items to breca.tschida@state.mn.us

For more information or to register, contact Breca Tschida, WSC ergonomics program coordinator, at breca.tschida@state.mn.us or (651) 284-5343.
