

State and Local Electrical Inspectors By County

Updated July 1, 2017

Recent changes are highlighted below in red Italics

*This directory is subject to frequent changes.
Please check back often or refresh your web browser.*

This list is sorted by county, authority having jurisdiction and then by city or township

VERY IMPORTANT

Before filing an electrical permit or calling for an electrical inspection in a particular city or township please verify the appropriate *Authority Having Jurisdiction (AHJ).

If the *AHJ column indicates "State", please file the permit with the STATE.

If the *AHJ column indicates "Local", DO NOT file the permit with the state. Contact the LOCAL city or township for more information.

Misfiled permits create extra work and expense, they delay the electrical inspection process and they may result in costly construction delays for the entire project.

See the end of this directory for a list of websites hosted by Contract Electrical Inspectors
