

**Inactive/Expired License
ELEVATOR CONTRACTOR**

Searching this List is done by selecting the Binocular Search tool from the Adobe Reader menu bar above and then entering the license number or part of a licensee's name in the search field. Punctuation is not used in the database holding the business names. Do not use punctuation in the search because you will get no results.

The licenses in this report are currently inactive. Licenses are listed alphabetically. Licenses become inactive for a number of reasons including nonrenewal, voluntary termination, enforcement action, or a change in business structure. An inactive license with a 2010 expiration date was terminated early for one of the reasons cited above. Some licensees may have an active license under another business name. For more information regarding an inactive license, please call (651) 284-5069 or send an e-mail inquiry including the inactive license number to DLI.contractor@state.mn.us.
