About this manual

This Minnesota Department of Labor and Industry (DLI) Work Comp Campus external user manual is a resource that guides users through common job functions in Work Comp Campus with “step-by-step” instructions and visual aids. Additional training and resources are available at the DLI Work Comp Campus hub at dli.mn.gov/business/workers-compensation/work-comp-campus-hub.

All names and data portrayed in these materials are fictitious and used only for demonstrative purposes. No identification with actual persons or entities is intended or should be inferred.

Workers' Compensation Help Desk

Contacting the Workers' Compensation Help Desk

Individuals can contact the Help Desk in the following ways:

1. by phone at 651-284-5005, option 3, or 800-342-5354, option 3; or
2. by email at helpdesk.dli@state.mn.us.

The team is available Monday through Friday, 8 a.m. to 4:30 p.m. If calling outside of office hours, leave a voicemail message and a Help Desk staff member will respond within 24 hours.

Tips for contacting the Help Desk

When contacting the Help Desk, be as detailed as possible in your messages, both via voicemail and email. It is also helpful to the Help Desk staff to have as much identifying information as possible regarding your inquiry.

If you have technical issues with Campus, such as receiving an error message while filing a claim, we encourage you to do the following.

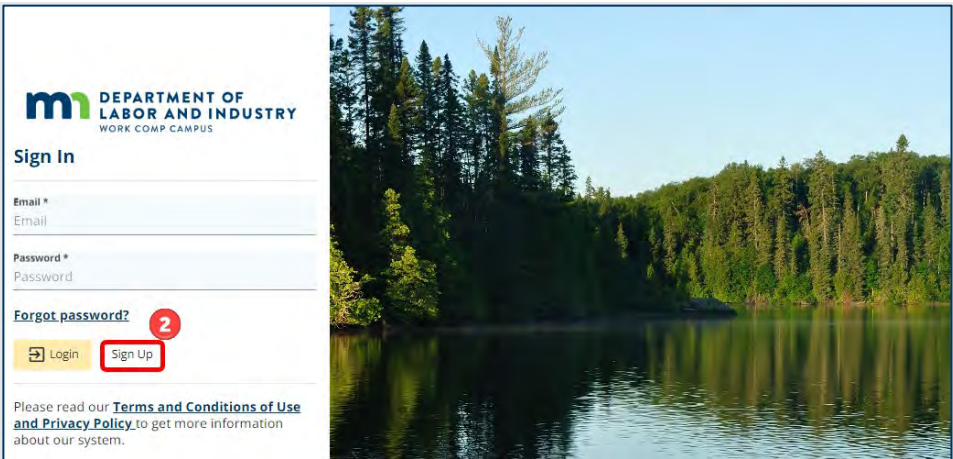

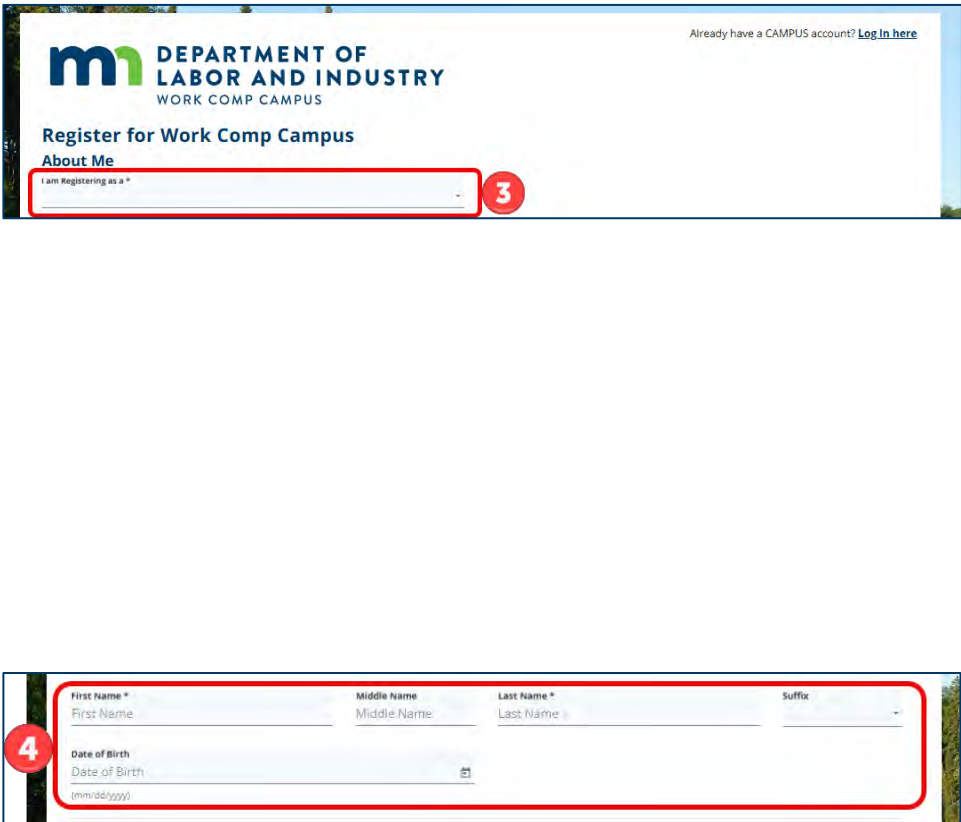

1. Take a screenshot of the error or issue.
2. Make a note of the date and time the problem occurred.
3. Send this information via email to the Help Desk at helpdesk.dli@state.mn.us.

Including the claim or dispute number on which the issue occurred is also important. This information will help the Help Desk and the Campus technical team to assist and try to resolve the issue.

Getting started in Work Comp Campus

As a new user to Campus, you will need to register your account. If you are already registered, follow the steps in the section titled [Logging into Campus](#).

4. Enter personal information for the user registering. All fields with asterisks (*) are required to be filled.

5. Complete fields marked with the black asterisks in the **Contact Information** section.

Tennessee Warning: Private or confidential data you provide during the account registration process will be used to authenticate your identity and authority to create a Campus account so you can electronically view, file and receive communications about documents and data in the Department of Labor & Industry's workers' compensation division files. The registration data may also be used for state investigations and statistics. You may refuse to supply the data, but if you refuse, an account cannot be created and you will not be able to electronically view and file documents and data. The information you provide may also be released to others who have authority to review it, including other individuals within the department, the Minnesota Attorney General's Office, other state agencies such as the departments of revenue and health, law enforcement, courts, and the legislative auditor. More information on how the data collected in Campus is used, and who has access to it, is in the [Terms and Conditions of Use and Privacy Policy](#).

Group administration

Group administration tasks, such as adding members to a group, changing permissions, editing relationships and more, can only be performed by a group administrator within Campus.

There are several actions needed for a group administrator to grant permissions or create relationships for users within Campus.

3. The individual must register in Campus, making themselves a Campus user.
4. A group administrator of the group adds the user as a member of the group. Only members of groups can access claims in Campus, with the exception of injured workers.
 1. A group administrator can then assign specific permissions to any members within the group.
 2. A group administrator can also link individual users within the group to share claim access with each other, such as linking a paralegal to an attorney.

Viewing and editing entity details

An entity can be an individual user within Campus or a group, such as an employer, insurer, third-party administrator, trading partner, law firm, rehabilitation providers or supplemental entities. Except for employees, all entities can view entity details. To edit entity details, you must have the profile management designation.

Note: Any edits made to the entity name or address information will be submitted to DLI and require approval. When the request is approved by DLI, the changes will be reflected in Campus.

Requesting and redeeming a unique access code – employer

An individual from the employer group must generate an access code for anyone in this group to access claims affiliated with the employer. After the code is redeemed, the user can access the claim and case management pages.

Note: A member of the group must generate the access code after the employer group has been established. Also, your group administrator can access the **Case/Claim Management** page to assign case and claim access permissions.

If you do not receive it, call the Help Desk at 651-284-5005, option 3, to request the access code.</p> <p>After receiving the code, log back into Campus and navigate to the same webform by following steps 1 through 3.</p>

Claim Access Authorization webform

Campus users who are not foundational parties to the claim (such as the spouse of an injured worker, QRCs, attorneys and representatives of the employee's estate) must submit the Claim Access Authorization webform to DLI. DLI will review the submission and determine whether claim access will be granted.

If the employee or other appropriate individual has authorized the user to access the claim, they must attach the authorization to this webform submission.

Access will be granted for **six** months, beginning on the approval date. After your access expires, you will receive an automated email message informing you of your access removal. If at any point during a claim's lifetime your access is removed, you will receive an email message indicating your removal.

20. Click the **Submit Form** button to save and continue.

21. Upon submission, you will see a confirmation screen showing a **Confirmation Number** and the **Associated ID**. You will also receive a confirmation email message to the email address you have on file.

A DLI representative will then review your submission and either accept or reject it.

If **approved**, you will receive an email message to the account on file informing you of the access approval and you will now see the claim displayed on your **My Claims** tab.

If **denied**, you will receive an email message to the account on file informing you of the access denial and providing you with the Campus support contact information.

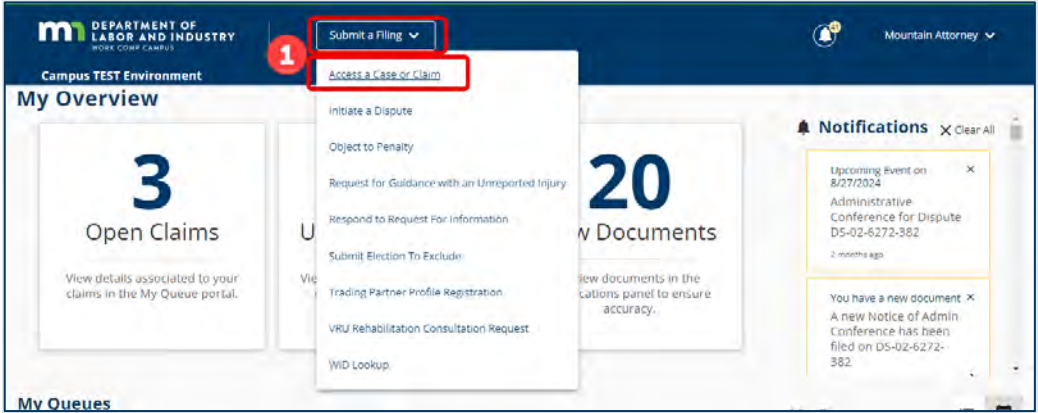

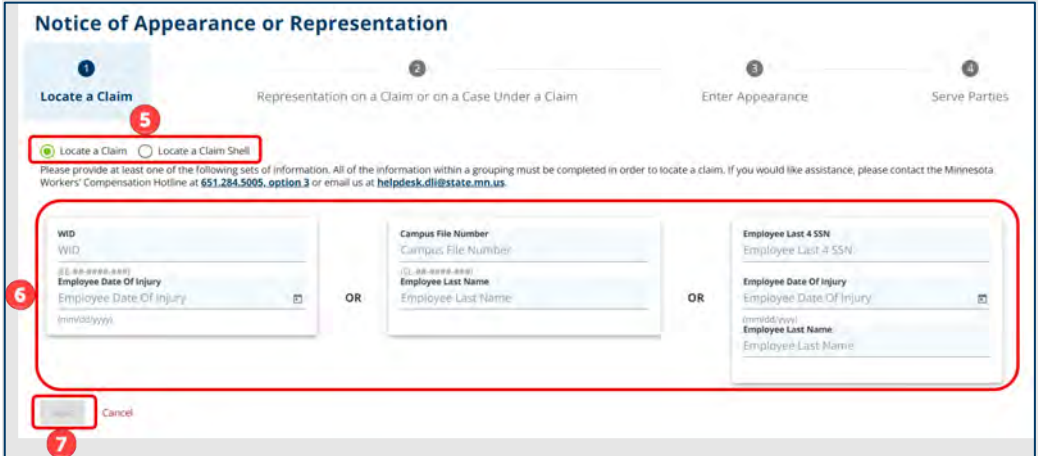

Law firm filing functions

Filing a Notice of Appearance or Notice of Representation

As an attorney trying to gain access to a claim, you will need to file a Notice of Appearance or Notice of Representation.

Note: You will need to be associated to a law firm group within Work Comp Campus to proceed.

Instructions	Visual aids
<ol style="list-style-type: none">Click on the Submit a Filing drop-down menu and select Access a Case or Claim.In the Access a Claim or Case pop-up window, select File Notice of Appearance or Representation from the drop-down menu.Click Next to continue.	 
<ol style="list-style-type: none">On the Notice of Appearance or Representation page, step 1 is to Locate a Claim.Select Locate a Claim.Pick one of the groups of information and enter it for the injured worker authorization that is being requested. <p>Note: If you are unsure of the WID number, you can find instructions on the DLI website section.</p> <ol style="list-style-type: none">Click Next to proceed to the webform.	

8. Step 2 is to select **Representation on a Claim or on a Case under a Claim**.

- a) Select **Claim** for all the information contained in the Workers' Compensation Division file.
- b) Select **Case** for access to a specific dispute, appeal or petition to vacate information for a claim.

9. Click the yellow **Next** button to continue.

The screenshot shows the 'Notice of Appearance or Representation' form. At the top, there are four steps: 1. Locate a Claim, 2. Representation on a Claim or on a Case Under a Claim (highlighted), 3. Enter Appearance, and 4. Serve Parties. Below the steps, the title 'Representation on a Claim or on a Case Under a Claim' is followed by a paragraph explaining the choice between representing a full claim or a specific case. A red box labeled '8' highlights the question 'Will you represent a party on the full claim, or on a Case under the Claim?' with radio buttons for 'Claim' and 'Case'. Below this, a red box labeled '9' highlights the 'Next' button. Other buttons include 'Back', 'Cancel', and 'Save as Draft'.

10. Step 3 is to **Enter Appearance**. In the **Representation** section, under the **Who do you represent** area, select the party you are representing.

The options are:

- a) Employee;
- b) Employer;
- c) Insurer;
- d) Other

11. Under the **What party do you represent** area, select the party.

The screenshot shows the 'Notice of Appearance or Representation' form at Step 3: Enter Appearance. The progress bar at the top shows steps 1, 2, 3 (highlighted), and 4. A message says 'Great! We recognize that claim. Please complete each section below to complete your Entry of Appearance.' There are two main sections: 'Representation' and 'What party do you represent?'. The 'Representation' section has a red box labeled '10' around the 'Who do you represent?' area with radio buttons for 'Employee' (checked), 'Employer', 'Insurer', and 'Other'. The 'What party do you represent?' section has a red box labeled '11' around the 'What party do you represent?' area with a radio button for 'TIMMY TESTING'. A note at the bottom says 'Please select both the type of representation and at least one party to continue.'

Note: You will need to select both the type of representation and at least one party to continue.

12. Under the **Are there limitations regarding your representation** area select the option from the drop-down menu that best applies.

The options are:

- a) None;
- b) Yes, Duration – you will need to specify the date when representation will expire; and
- c) Yes, Other.

The screenshot shows a dropdown menu for the question 'Are there limitations regarding your representation?'. The dropdown is open, showing the option 'None' selected. A red box labeled '12' highlights the dropdown menu.

If you answer “**Yes/Other**” to the question “**Are there limitations regarding your representation**”, you will need to wait for access approval/denial from DLI.

13. Under the **Verification** section, attach either a **Retainer Agreement** or **Notice of Representation** signed by the employee.

I authorize the Workers' Compensation Division, Department of Labor and Industry, to make any appropriate investigation of the application and supporting documents. I understand that any omission or misrepresentation may result in rejection of this application or denial of registration.

I agree to be bound by all statutes, rules and orders as established by the commissioner and realize that violations may result in the denial or revocation of registration.

I understand that Minn. Rules 5220.1250 prohibits any ownership or financial relationship of any kind between any registered rehabilitation vendor and qualified rehabilitation consultant firm, qualified rehabilitation consultant or qualified rehabilitation consultant intern.

I agree to notify the department immediately of any change in my employment status (Minn. Rules 5220.1400, subp. 5). If there is a change in my employment status, I will notify all parties to the case on which I am the assigned QRC intern as to whom the reassignment will be made (Minn. Rules 5220.1801, subp. 9k(2)).

I certify that I am a full-time resident of Minnesota or I live no more than 100 miles by road from the Minnesota border (Minn. Rules 5220.1400, subp. 5).

Notice: The information you as an individual provide in this application will be used by Department of Labor and Industry (department) staff members who require the information to determine if you meet the department's registration/renewal requirements. Minnesota Statutes § 270C.72, subd. 4, requires you to provide your Social Security number on this application. The other information is being requested for purposes of processing your application. With the exception of your Social Security number, you are not legally required to supply the data requested on this application. However, failure to provide the requested information may delay the processing of your application or result in the denial of the same. The application data will be made part of the department's file for your registration/renewal. Except for your name and the address you designated to receive correspondence from the department, the information you provide on this application is private data while the application is pending. Once you are registered, the application data may become public except for your Social Security number. However, disclosure of private or nonpublic information to others may occur as authorized or required by law, including but not limited to the Attorney General's Office, the Department of Revenue, the Office of Administrative Hearings, upon court order, and/or for the purpose of verification, state investigations and statistics.

I declare under penalty of perjury that everything I have stated in this document is true and correct.

Any person who, with intent to defraud, receives workers' compensation benefits to which the person is not entitled by knowingly misrepresenting, misstating or failing to disclose any material fact is guilty of theft and shall be sentenced pursuant to Minn. Stat. § 609.52, subd. 3.

Please type your First and Last Name as they appear on your CAMPUS profile. By signing and dating this form, I certify copies of this form and attachments are being sent to the employee, insurer, any attorney(s), the Department of Labor and Industry and, if required, to the department's Vocational Rehabilitation unit (VRU).

Note: There is a **Save as Draft** option if signatures or additional information is needed. This will allow for the form to be saved in the **My Forms** tab on the dashboard.

R-2 Rehabilitation Form Information

Rehabilitation plan privacy and confidentiality

Private or confidential data you supply on this form will be used to process your workers' compensation claim. The data will be used by Department of Labor and Industry staff members who have authorized access to the data and may be used for state investigations and statistics. You may refuse to supply the data, but if you refuse, your claim may be delayed or denied, or the form may be returned to you. The data will be made part of the department's file for your claim and may be supplied to: anyone who has access to the file or the data by authorization or court order; the employer and insurer for your claim; the Office of Administrative Hearings; the Workers' Compensation Court of Appeals; the Departments of Revenue and Health; and the Workers' Compensation Reinsurance Association.

Rehabilitation form availability

This form and access to the electronic submission format is located at www.dli.mn.gov/WCForms.asp. The form can be made available in different formats, such as large print, Braille or audio. To request, call (placeholder).

Intent to commit fraud

Any person who, with intent to defraud, receives workers' compensation benefits to which the person is not entitled by knowingly misrepresenting, misstating or failing to disclose any material fact is guilty of theft and shall be sentenced pursuant to Minn. Stat. § 609.52, subd. 3.

Instructions to QRC completing the R-2 Rehabilitation Plan form

Purpose: The Rehabilitation Plan form documents the services proposed to be provided to the employee by the QRC and the responsibilities of the QRC, insurer and employee. The form also instructs the parties about how to proceed if there is a dispute regarding the plan and gives information about data privacy and confidentiality. See Minn. Rules 5220.0410.

Instructions for Occupation Details: Enter information about the job the employee had at the time of injury and the physical demands of the job. See Dictionary of Occupational Titles physical demands and strength ratings description.

Service codes and descriptions: See Minn. Rules 5220.0100 for service code definitions. However, for service codes 10A and 10B the statutory definition of job development in Minn. Stat. § 176.102, subd. 5, amends the definitions in Minn. Rules 5220.0100, subps. 16 and 18, as provided below.

- Service code 10A: "job development" means systematic contact with prospective employers resulting in opportunities for interviews and employment that might not otherwise have existed and includes identification of job leads and arranging for job interviews; job development facilitates a prospective employer's consideration of a qualified employee for employment. See Minn. Stat. § 176.102, subd. 5(b), for the maximum number of hours and weeks of job development services for dates of injury on or after October 1, 2013.
- Service code 10B: "job placement" means activities that support a qualified employee's search for work including the preparation of a client to conduct an effective job search and communication of information about the labor market, programs or laws offering employment incentives and the qualified employee's physical limitations and capabilities as permitted by data privacy laws.

List only the services to be provided during the R-2 plan period. In the description column specify the activities to be performed within the service category. Enter the projected cost and projected completion date for each of the services. The rehabilitation consultation service category has been pre-filled. Enter the actual Rehabilitation Consultation Report form invoice total in the box marked "Total projected cost."

Responsibility section: Review these instructions with the employee.

Signature block: The QRC, employee and insurer representative sign here. If a QRC intern is completing the R-2 form, the QRC intern's supervisor must also sign the form before it is forwarded to the parties for their review.

From the Dictionary of Occupational Titles - Definition Trailer Abridged

Strength rating (strength) – The Physical Demands Strength Rating reflects the estimated overall strength requirement of the job, expressed in terms of the letter corresponding to the particular strength rating. It represents the strength requirements which are considered to be important for average, successful work performance.

S-sedentary work – Exerting up to 10 pounds of force occasionally (occasionally: activity or condition exists up to 1/3 of the time) and/or a negligible amount of force frequently (frequently: activity or condition exists from 1/3 to 2/3 of the time) to lift, carry, push, pull, or otherwise move objects, including the human body. Sedentary work involves sitting most of the time, but may involve walking or standing for brief periods of time. Jobs are sedentary if walking and standing are required only occasionally and all other sedentary criteria are met.

L-light work – Exerting up to 20 pounds of force occasionally, and/or up to 10 pounds of force frequently, and/or a negligible amount of force constantly (constantly: activity or condition exists 2/3 or more of the time) to move objects. Physical demand requirements are in excess of those for sedentary work. Even though the weight lifted may be only a negligible amount, a job should be rated light work: (1) when it requires walking or standing to a significant degree; or (2) when it requires sitting most of the time but entails pushing and/or pulling of arm or leg controls; and/or (3) when the job requires working at a production rate pace entailing the constant pushing and/or pulling of materials even though the weight of those materials is negligible. Note: The constant stress and strain of maintaining a production rate pace, especially in an industrial setting, can be and is physically demanding of a worker even though the amount of force exerted is negligible.

M-medium work – Exerting 20 to 50 pounds of force occasionally, and/or 10 to 25 pounds of force frequently, and/or greater than negligible up to 10 pounds of force constantly to move objects. Physical demand requirements are in excess of those for light work.

H-heavy work – Exerting 50 to 100 pounds of force occasionally, and/or 25 to 50 pounds of force frequently, and/or 10 to 20 pounds of force constantly to move objects. Physical demand requirements are in excess of those for medium work.

V-very heavy work – Exerting in excess of 100 pounds of force occasionally, and/or in excess of 50 pounds of force frequently, and/or in excess of 20 pounds of force constantly to move objects. Physical demand requirements are in excess of those for heavy work. (See www.occupationalinfo.org/appendix_1.html#STRENGTH for additional information.)

R-3 Rehabilitation Plan Amendment (This process has been updated as of March 11, 2025. See Amendment B for current instructions.)

QRCs develop an R-3 Rehabilitation Plan Amendment with injured workers. They file it with the Department of Labor and Industry and distribute it to parties to the claim to let them know of any changes to the plan, including if a new QRC is taking over the case. Multiple R3s can be filed over the lifetime of a case. The employee’s signature is requested on this form.

5. In the drop-down menu, select the **Submit** option.

The screenshot shows a window titled 'R-Form Details' with a close button (X) in the top right. Below the title is the text 'Submit or Amend an R-Form'. There are three dropdown menus: 'RCR' (Submitted), 'R-2' (Submitted), and 'Retraining Plan'. Below these is a 'PPR' dropdown menu. A red circle with the number '5' highlights the 'Submit' option in the PPR dropdown menu. At the bottom, there is a yellow 'Next' button and a grey 'Cancel' button. A message at the bottom states: 'No R-Forms can be submitted once inactivated.'

6. When selected, click the yellow **Next** button.

This screenshot is identical to the previous one, but the yellow 'Next' button at the bottom right is now highlighted with a red circle and the number '6'.

7. On the **Rehab Plan Amendment (R3)** page, step 1 is **Assigned QRC**. Under the **Assigned QRC** section, select the appropriate option.

- a) **Continue as assigned QRC** – no change to the assigned QRC. Go to step 8.
- b) **Change of QRC** – filing as a QRC who will be taking over the case. Go to step 26.
- c.) **Withdrawal of QRC** – withdrawing as the QRC on this case. Go to step 43.

The screenshot shows the 'Rehab Plan Amendment (R3)' page. At the top, it says 'Please provide the following information:'. Below this are three steps: '1 Assigned QRC', '2 Amendments', and '3 Supporting information'. The 'Assigned QRC' section is active. It contains the text: 'Please select if you are filing this R-3 as a QRC who will be taking over this case (Change of QRC) or if you are withdrawing as QRC on this case, then verify the information below: if there is no change to the assigned QRC, select "Continue as Assigned QRC" and proceed to the next step.' Below this text are three radio button options: 'Continue as Assigned QRC' (which is selected and highlighted with a red circle and the number '7'), 'Change of QRC', and 'Withdrawal of QRC'.

8. If filing **Continue as Assigned QRC**, verify the populated information and click the yellow **Next** button.

9. Step 2 is **Amendments**. Under the **Proposed Amendment and Rational** section, enter a brief statement that covers the proposed amendments and rational in the **Proposed Amendment and Rational** field.

10. Under the **Services to be Provided** section, ensure all fields with an * have information entered.

11. If needed, additional service categories can be added by clicking the yellow **+ Add** button.

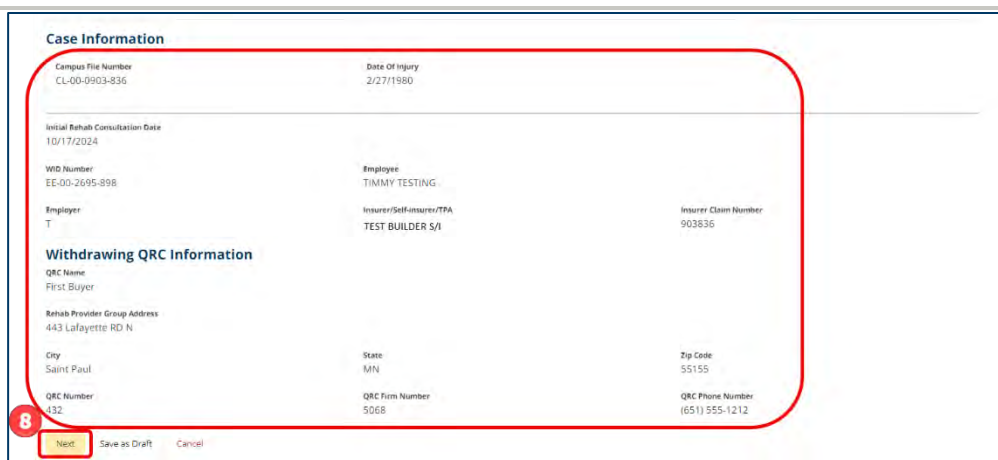

12. Lines can also be removed by clicking the red **Remove** button.

13. Under the **Projected Cost and Duration** section, verify the information for accuracy.

14. When complete, click the yellow **Next** button.

15. Step 3 is **Supporting Information**. Under the **Plan Barrier Narrative Report**, provide a narrative in the **Plan Barrier Narrative Report** field or by attaching a document in the attachment section.

Note: A plan barrier narrative report must be entered to submit the form.

35 **R3 Form Information**

To the parties:
If you disagree with the plan, you have 15 days from receipt of the proposed plan to resolve the disagreement or object to the proposed plan. The objection must be filed with the department on a Rehabilitation Request form.

Rehabilitation plan privacy and confidentiality
Private or confidential data you supply on this form will be used to process your workers' compensation claim. The data will be used by Department of Labor and Industry staff members who have authorized access to the data and may be used for state investigations and statistics. You may refuse to supply the data, but if you refuse your claim may be delayed or denied, or the form may be returned to you. The data will be made part of the department's file for your claim and may be supplied to anyone who has access to the file or the data by authorization or court order; the employer and insurer for your claim; the Office of Administrative Hearings; the Workers' Compensation Court of Appeals; the Departments of Revenue and Health; and the Workers' Compensation Reinsurance Association.

Rehabilitation form availability
This form and access to the electronic submission format is located at www.dl.mn.gov/WC/forms.asp. The form can be made available in different formats, such as large print, Braille or audio. To request, call (651) 284-5032 or 1-800-342-3354.

Intent to commit fraud
Any person who, with intent to defraud, receives workers' compensation benefits to which the person is not entitled by knowingly misrepresenting, misstating or failing to disclose any material fact is guilty of theft and shall be sentenced pursuant to Minnesota Statutes § 609.02, subd. 3.

36. Under the **E-Signature** section, enter the QRC's full name in the **Full Name of Signatory** field (this must match the Campus user profile name) to sign electronically. Mark the checkbox attesting to the legality of the signature and confirming the accuracy of the

document.

37. Review the information under the **Instructions to QRC** section.

38. In the **Do you want to distribute this document** field, select the answer that fits best.

- a) If **Yes** – go to step 39.
- b) If **No** – move to step 42.

39. If **Yes**, the **Distribute Electronically** section will appear. Under the **Send to Party** column, select the parties that should be served electronically via email.

40. Under the **Distribute Manually** section, the parties that cannot receive the document electronically will be listed. Select the parties to be served by mail.

41. Mark the box attesting that the form has been provided to all required parties and click the yellow **Submit Form** button.

42. If **No**, click the yellow **Submit Form** button.

Note: There is a **Save as Draft** option, if signatures or additional information is needed. This will allow for the form to be saved in the **My Forms** tab on the dashboard.

Instructions to QRC

This form can be used in several ways and might be filed multiple times during the course of a rehabilitation plan.

Service codes and descriptions: See Minn. Rules 5220.0100 for service code definitions. However, for service codes 10A and 10B the statutory definition of job development in Minn. Stat. § 176.102, subd. 5, amends the definitions in Minn. Rules 5220.0100, subps. 16 and 18, as provided below.

Service code 10A "job development" means systematic contact with prospective employers resulting in opportunities for interviews and employment that might not otherwise have existed and includes identification of job leads and arranging for job interviews. Job development facilitates a prospective employer's consideration of a qualified employee for employment. See Minn. Stat. § 176.102, subd. 5(b), for the maximum number of hours and weeks of job development services for dates of injury on or after Oct. 1, 2013. Service code 10B "job placement" means activities that support a qualified employee's search for work including the preparation of a client to conduct an effective job search and communication of information about the labor market, programs or laws offering employment incentives and the qualified employee's physical limitations and capabilities as permitted by data privacy laws.

To amend a rehabilitation plan: The QRC or other parties may propose amendments to the current rehabilitation plan for good cause, including:

- physical limitations interfere with the plan;
- the employee is not participating effectively;
- there is a need to change the vocational goal;
- the projected cost or duration will be exceeded; or
- the employee feels ill-suited for the type of work for which rehabilitation is being provided.

When using this form to amend a rehabilitation plan, answer all items that apply. For amended services, amend or add only the services to be provided during this R3 plan period. For "Description" of the service, identify the activities to be performed within the service category (for example, attend medical appointments, medical-related communication, coordinate medical appointments), then list the "Projected Cost" and "Projected Completion Date" for each of the checked services.

Do not file the R3 form with the Department of Labor and Industry at the same time it is circulated to the parties. The form must be filed at one of the following times, whichever comes first: 1) when the parties have all signed it; or 2) 15 days after circulation to the parties (or 15 days after recirculation if one of the parties proposed a change in the plan).

If all the signatures are not obtained within the filing deadline, file the R3 form with the signatures that have been obtained along with evidence of the date the plan was sent to each nonsigning party.

To file in lieu of a Plan Progress Report form: This R3 may only be filed instead of the Plan Progress Report form if the R3 is filed within 15 days before or after six months have passed from the date the R2 Rehabilitation Plan form has been filed. This means that by the time the R3 is filed in lieu of the Plan Progress Report form, the parties must already have signed the R2 or the R3 must have already been in circulation to the parties for 15 days. If all signatures are not obtained within the filing deadline, include evidence of the date the plan was sent to each nonsigning party. See Minn. Rules 5220.0450, subp. 3(A).

Complete the form as expected. For the amended services, complete or amend only the services to be provided during this R3 plan period. For "Description" of the service, identify the activities to be performed within the service category (for example, attend medical appointments, medical-related communication, coordinate medical appointments), then list the "Projected cost" and "Projected completion date" for each of the services. If there are barriers to completion of the rehabilitation plan, then attach a separate sheet listing the employee's name, WID number/SSN and date of injury, along with the barriers to successful completion of the rehabilitation plan and measures to be taken to overcome the barriers.

To report a change of QRC: The newly assigned QRC must file this form and select "Change in QRC" in the QRC adjustment section. If approval of a change of QRC is required by Minn. Rules 5220.0710 and the insurer has approved the change, the new QRC must circulate the form for signatures and file it with the department within 15 days of obtaining the signatures or within 15 days of circulation to the parties with evidence of the date the plan was sent to each nonsigning party.

To withdraw as the QRC: Use this form to withdraw as the assigned QRC from a rehabilitation file if the insurer has denied further liability for the injury for which rehabilitation services are being provided and a claim petition, objection to discontinuance, request for an administrative conference or any other document initiating litigation has been filed relating to the workers' compensation liability issue.

When you submit this form, this file will be routed to the Department of Labor and Industry's Vocational Rehabilitation unit (VRU).

If the QRC elects to withdraw from a rehabilitation file where no litigation is pending for the liability issue, use the R-8 Rehabilitation Plan Closure form in accordance with Minn. Rules 5220.0510, subp. 7A(4).

To withdraw as the QRC: Use this form to withdraw as the assigned QRC from a rehabilitation file if the insurer has denied further liability for the injury for which rehabilitation services are being provided and a claim petition, objection to discontinuance, request for an administrative conference or any other document initiating litigation has been filed relating to the workers' compensation liability issue.

When you submit this form, this file will be routed to the Department of Labor and Industry's Vocational Rehabilitation unit (VRU).

If the QRC elects to withdraw from a rehabilitation file where no litigation is pending for the liability issue, use the R-8 Rehabilitation Plan Closure form in accordance with Minn. Rules 5220.0510, subp. 7(A).

5. In the drop-down menu, select the **Submit** option.

The screenshot shows a modal titled "R-Form Details" with a close button (X) in the top right. Below the title is a section "Submit or Amend an R-Form". There are three dropdown menus: "RCR" (Submitted), "R-2" (Submitted), and "Retraining Plan". Below these is the "PPR" dropdown, which is currently set to "Submit" and is highlighted with a red circle and a red number "5". At the bottom, there is a note "No R-Forms can be submitted once inactivated." and two buttons: "Next" (yellow) and "Cancel" (grey).

6. When selected, click the yellow **Next** button.

This screenshot shows the same "R-Form Details" modal. The "PPR" dropdown is now set to "Submit". The "Next" button (yellow) is highlighted with a red circle and a red number "6". The "Cancel" button remains grey. The note "No R-Forms can be submitted once inactivated." is still present.

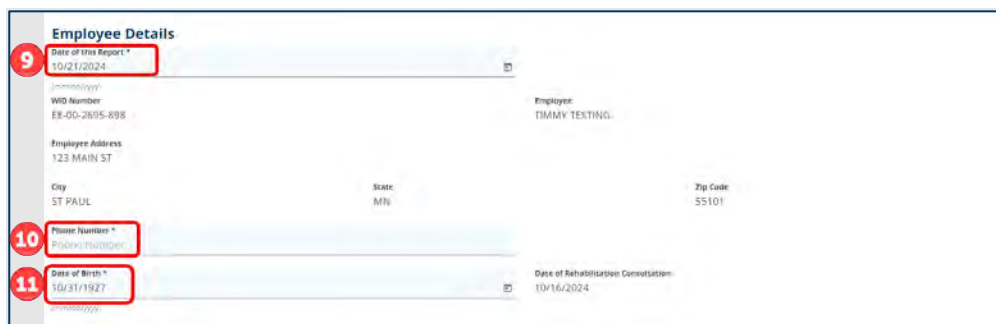

7. On the **Plan Progress Report** page, under the **Claim Details** section, the associated claim information will automatically populate.
8. Enter the information for the **Claim Representative**. Ensure all fields with an * have information entered.

25. In the **R-8 Notice of Rehabilitation Plan Closure Form Information** section, review the information.

R-8 Notice of Rehabilitation Plan Closure Form Information 25

Purpose: The Notice of Rehabilitation Plan Closure (R-8) form and the summary report document the closure of the plan. The R-8 is used to document the reason the plan is being closed or suspended, the employee's employment status at plan closure and the cost of all rehabilitation services that were provided under the plan. The narrative summary report describes the services that were provided from the beginning to the end of the plan. Both of these documents must be filed within 30 calendar-days of notice of any of the events listed in Minnesota Rules 5220.0510, subp. 7, or when the QRC withdraws under Minn. Rules 5220.0510, subp. 7a.

Item 15: Employment status at plan closure - Check box c only if the employee is unemployed and has been released to return to any job, without any physical limitations/effects of work injury. Identify the documents (such as Work ability form, etc.) that provide the basis for this selection within the R-8 summary report, then skip to item 21.

Item 20a: Return to work - enter information about the job where the employee returned to work.

Item 20b: Occupational demands - for DOT physical demands and strength rating description, see the R-2 Rehabilitation Plan form information sheet.

Item 21: Reason for rehabilitation plan closure -

a. the employee has been steadily working at suitable gainful employment for 30 days or more, or the time period provided for in the plan;
b. the employee's rehabilitation benefits have been ceased out by an award on stipulation or award on mediation;
c. the commissioner or a compensation judge has ordered that the rehabilitation plan be closed and there has been no timely appeal of that order;
d. the employee and insurer have agreed to close the rehabilitation plan;
e. the QRC has been unable to locate the employee following a good faith effort to do so;
f. the employee has died; or
g. the QRC decides to withdraw after the insurer has provided written notice to the employee, the employee's attorney, the commissioner and the QRC that the insurer is denying further liability for the injury for which rehabilitation services are being provided. (For item 21g, the QRC must file the R-8 and attach a copy of the insurer's notice of denial, copying appropriate parties, including a separate copy to the department's Vocational Rehabilitation Unit (VRU).)

NOTE: Item 21g does not apply if a claim petition, objection to discontinuance, request for an administrative conference or other document initiating litigation has been filed for the liability issue. If one of these documents has been filed and the QRC decides to withdraw, the QRC shall document the withdrawal by filing a Rehabilitation Plan Amendment (R-3) form.

Item 23: If the rehabilitation plan was temporarily interrupted by an R-3 (such as agreement of the parties) or an order of the department, then indicate the cumulative number of weeks the plan was suspended.

Item 25: Total number of previously assigned QRCs involved in this rehabilitation plan - include any other QRCs from your firm or another firm who provided services under the plan closed by this R-8 form.

Item 26: Costs by service area and rehabilitation provider - list the total costs for the individual services provided by rehabilitation provider firms in the applicable spaces. No information is to be listed in the spaces marked "N/A." After this is completed, total each of the four columns and enter the final amounts in "Total costs of each column."

Sum of column totals above - add the dollar amounts of the four "Total costs" columns and place that total in the space provided.

Note on service code definitions: See Minn. Rules 5220.0100 for service code definitions. However, for service codes 10A and 10B the statutory definition of job development in Minnesota Statutes § 176.102, subd. 5, amends the definitions in Minn. Rules 5220.0100, subps. 16 and 18, as provided below.

Service code 10A: "job development" means systematic contact with prospective employers resulting in opportunities for interviews and employment that might not otherwise have existed and includes identification of job leads and arranging for job interviews. Job development facilitates a prospective employer's consideration of a qualified employee for employment. See Minn. Stat. § 176.102, subd. 5(b), for the maximum number of hours and weeks of job development services for dates of injury on or after Oct. 1, 2013.

Service code 10B: "job placement" means activities that support a qualified employee's search for work including the preparation of a client to conduct an effective job search and communication of information about the labor market, programs or laws offering employment incentives and the qualified employee's physical limitations and capabilities as permitted by data privacy laws.

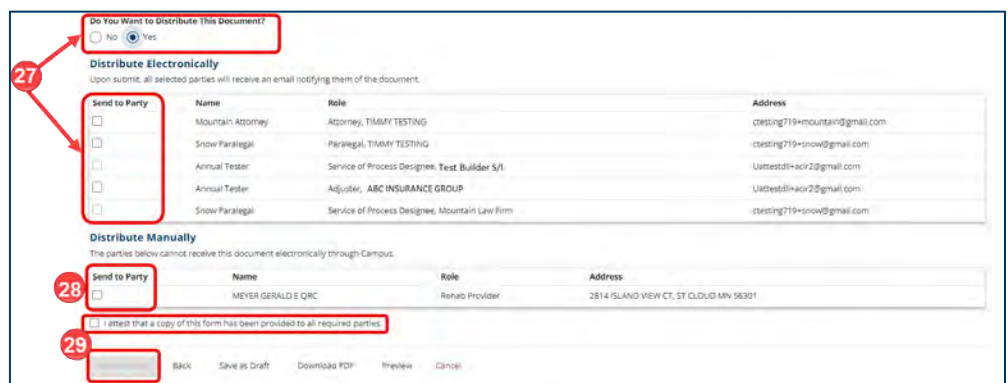

Attach a closure report summarizing services provided (Minn. Rules 5220.0510, subp. 7 f (4)).

Send copies of the R-8 to the employee, insurer and attorney(s). If the insurer is denying further liability, send a separate copy addressed to the department's Vocational Rehabilitation Unit (VRU) if withdrawing.

I authorize the Workers' Compensation Division, Department of Labor and Industry, to make any appropriate investigation of the application and supporting documents. I understand that any omission or misrepresentation may result in rejection of this application or denial of registration.

I agree to be bound by all statutes, rules and orders as established by the commissioner and realize that violations may result in the denial or revocation of registration.

I understand that Minn. Rules 5220.1250 prohibits any ownership or financial relationship of any kind between any registered rehabilitation vendor and qualified rehabilitation consultant firm, qualified rehabilitation consultant or qualified rehabilitation consultant intern.

I agree to notify the department immediately of any change in my employment status (Minn. Rules 5220.1400, subp. 5). If there is a change in my employment status, I will notify all parties to the case on which I am the assigned QRC intern as to whom the reassignment will be made (Minn. Rules 5220.1801, subp. 9K(2)).

I certify that I am a full-time resident of Minnesota or I live no more than 100 miles by road from the Minnesota border (Minn. Rules 5220.1400, subp. 5).

Notice: The information you as an individual provide in this application will be used by Department of Labor and Industry (department) staff members who require the information to determine if you meet the department's registration/renewal requirements. Minnesota Statutes § 270C.72, subd. 4, requires you to provide your Social Security number on this application. The other information is being requested for purposes of processing your application. With the exception of your Social Security number, you are not legally required to supply the data requested on this application. However, failure to provide the requested information may delay the processing of your application or result in the denial of the same. The application data will be made part of the department's file for your registration/renewal. Except for your name and the address you designated to receive correspondence from the department, the information you provide on this application is private data while the application is pending. Once you are registered, the application data may become public except for your Social Security number. However, disclosure of private or nonpublic information to others may occur as authorized or required by law, including but not limited to the Attorney General's Office, the Department of Revenue, the Office of Administrative Hearings, upon court order, and/or for the purpose of verification, state investigations and statistics.

I declare under penalty of perjury that everything I have stated in this document is true and correct.

Any person who, with intent to defraud, receives workers' compensation benefits to which the person is not entitled by knowingly misrepresenting, mistating or failing to disclose any material fact is guilty of theft and shall be sentenced pursuant to Minn. Stat. § 609.52, subd. 3.

Please type your First and Last Name as they appear on your CAMPUS profile. By signing and dating this form, I certify copies of this form and attachments are being sent to the employee, insurer, any attorney(s), the Department of Labor and Industry and, if required, to the department's Vocational Rehabilitation unit (VRU).

Amendment B: R-3 Rehabilitation Plan Amendment

Updated March 11, 2025

Qualified rehabilitation consultants (QRCs) develop an R-3 Rehabilitation Plan Amendment with injured workers. They file it with the Department of Labor and Industry and distribute it to parties to the claim to let them know of any changes to the plan. Multiple R-3s can be filed during the lifetime of a claim.

The three types of changes that may be made are:

1. [continue as assigned QRC](#);
2. [change of QRC](#); and
3. [withdrawal of QRC](#).

Continue as assigned QRC

Instructions

1. From the dashboard, click on the **My Rehab Cases** tab.
2. Under the **Rehab Transaction ID** column, locate and click on the RT file.

File the Plan Progress Report (PPR) Concurrently with this R3

You may file the Plan Progress Report (PPR) concurrently with this R3 when filing within 14 days before or after six months have passed from the date the R2 Rehabilitation Plan form was filed. This means that by the time these forms are filed, the parties must already have signed the R3 or the R3 must have already been in circulation to the parties for 14 days. If all signatures are not obtained within the filing deadline, attach evidence of the date the plan was sent to each longstanding party. See 4010m, Rules 5220 (a)(2), Subp. 3(A).

It is within 15 days before or after six months since the R2 was filed.

☒ File PPR Concurrently

Please answer the questions below to fulfill all requirements for the PPR.

Is the Employee released to return to work?

Released to Return to Work *	Medical Report Date *	Current Work Status
YES, WITHOUT RESTRICTIONS	Medical Report Date	

Do barriers to successful completion of the rehabilitation plan exist? If yes, attach a narrative report, including the barriers and the measures to be taken to overcome the barriers to this form.

R-3 Form Information

To the parties:

If you disagree with the plan, you have 15 days from receipt of the proposed plan to resolve the disagreement or object to the proposed plan. The objection must be filed with the department on a Rehabilitation Request form.

Rehabilitation plan privacy and confidentiality

Private or confidential data you supply on this form will be used to process your workers' compensation claim. The data will be used by Department of Labor and Industry staff members who have authorized access to the data and may be used for data investigations and statistics. You may refuse to supply the data, but if you refuse your claim may be delayed or denied, or the form may be returned to you. The data will be made part of the department's file for your claim and may be supplied to: anyone who has access to the file or the data by authorization or court order; the employer and insurer for your claim; the Office of Administrative Hearings; the Workers' Compensation Court of Appeals; the Departments of Revenue and Health; and the Workers' Compensation Reinsurance Association.

Rehabilitation form availability

This form and access to the electronic submission format is located at www.dli.mn.gov/WC/forms.asp. The form can be made available in different formats, such as large print, Braille or audio. To request, call (855) 284-9032 or 1-800-342-9354.

Intent to commit fraud

Any person who, with intent to defraud, receives workers' compensation benefits to which the person is not entitled by knowingly misrepresenting, misstating or failing to disclose any material fact is guilty of theft and shall be sentenced pursuant to Minnesota Statutes § 609.52, subd. 3.

E-Signature

Please type your first and last name as they appear on your CAMPUS profile. Instructions to QRC

Review the information under the section.

Instructions to QRC

This form can be used in several ways and might be filed multiple times during the course of a rehabilitation plan.

Service codes and descriptions: See Minn. Rules 5220.0100 for service code definitions. However, for service codes 10A and 10B the statutory definition of job development in Minn. Stat. § 176.102, subd. 5, amends the definitions in Minn. Rules 5220.0100, subds. 16 and 18, as provided below.

Service code 10A "job development" means systematic contact with prospective employers resulting in opportunities for interviews and employment that might not otherwise have existed and includes identification of job leads and arranging for job interviews. Job development facilitates a prospective employer's consideration of a qualified employee for employment. See Minn. Stat. § 176.102, subd. 5(3) for the maximum number of hours and weeks of job development services for dates of injury on or after Oct. 1, 2015. Service code 10B "job placement" means activities that support a qualified employee's search for work including the preparation of a client to conduct an effective job search and communication of information about the labor market, programs or laws offering employment incentives and the qualified employee's physical limitations and capabilities as permitted by data privacy laws.

To amend a rehabilitation plan: The QRC or other parties may propose amendments to the current rehabilitation plan for good cause, including:

- physical limitations interfere with the plan;
- the employee is not participating effectively;
- there is a need to change the vocational goal;
- the projected cost or duration will be exceeded; or
- the employee feels ill-suited for the type of work for which rehabilitation is being provided.

When using this form to amend a rehabilitation plan, answer all items that apply. For amended services, amend or add only the services to be provided during this R3 plan period. For "Description" of the service, identify the activities to be performed within the service category (for example, attend medical appointments, medical-related communication, coordinate medical appointments); then list the "Projected Cost" and "Projected Completion Date" for each of the desired services.

Do not file the R3 form with the Department of Labor and Industry at the same time it is circulated to the parties. The form must be filed at one of the following times, whichever comes first: 1) when the parties have all signed it; or 2) 15 days after circulation to the parties for 15 days after recirculation if one of the parties proposed a change in the plan.

If all the signatures are not obtained within the filing deadline, file the R3 form with the signatures that have been obtained along with evidence of the date the plan was sent to each nonsigning party.

To file in lieu of a Plan Progress Report form: This R3 may only be filed instead of the Plan Progress Report form if the R3 is filed within 15 days before or after six months have passed from the date the R3 Rehabilitation Plan form was filed. This means that by the time the R3 is filed in lieu of the Plan Progress Report form, the parties must already have signed the R3 or the R3 must have already been in circulation to the parties for 15 days. If all signatures are not obtained within the filing deadline, include evidence of the date the plan was sent to each nonsigning party. See Minn. Rules 5220.0100, subp. 3(4). Complete the form as expected. For the amended services, complete or amend only the services to be provided during this R3 plan period. For "Description" of the service, identify the activities to be performed within the service category (for example, attend medical appointments, medical-related communication, coordinate medical appointments); then list the "Projected Cost" and "Projected completion date" for each of the services. If there are barriers to completion of the rehabilitation plan, then attach a separate sheet listing the employee's name, WIO number/IDN and date of injury, along with the barriers to successful completion of the rehabilitation plan and measures to be taken to overcome the barriers.

Instructions to QRC

This form can be used in several ways and might be filed multiple times during the course of a rehabilitation plan.

Service codes and descriptions: See Minn. Rules 5220.0100 for service code definitions. However, for service codes 104 and 108 the statutory definition of job development in Minn. Stat. § 176.102, subd. 5, amends the definitions in Minn. Rules 5220.0100, subds. 16 and 18, as provided below.

Service code 104: "Job development" means systematic contact with prospective employers resulting in opportunities for interview and employment that might not otherwise have existed and includes identification of job leads and arranging for job interviews. Job development facilitates a prospective employer's consideration of a qualified employee for employment. See Minn. Stat. § 176.102, subd. 5(1), for the maximum number of hours and weeks of job development services for days of injury on or after Dec. 1, 2023. Service code 108: "Job placement" means activities that support a qualified employee's return to work including the preparation of a claim to conduct an effective job search and communication of information about the labor market, programs or services offering employment incentives and the qualified employee's physical limitations and capabilities as permitted by data privacy laws.

To amend a rehabilitation plan: The QRC or other parties may propose amendments to the current rehabilitation plan for good cause, including:

- original limitations interfere with the plan;
- the employee is not participating effectively;
- there is a need to change the restoration goal;
- the projected cost or duration will be exceeded; or
- the employee has been found for the type of work for which rehabilitation is being provided.

When using this form to amend a rehabilitation plan, amend all items that apply. For amended services, amend or add only the services to be provided during this 60-day period. For "description" of the service, identify the activities to be performed within the service category (for example, attend medical appointments, medical-related communication, coordinate medical appointments) then list the "Projected Cost" and "Projected Completion Date" for each of the intended services.

Do not file the 60-day form with the Department of Labor and Industry at the same time it is circulated to the parties. The form must be filed at one of the following times, whichever comes first: 1) when the parties have all signed it; or 2) 15 days after circulation to the parties for 15 days after recirculation if one of the parties proposed a change in the plan.

If all the signatures are not obtained within the filing deadline, file the 60-day form with the signatures that have been obtained along with evidence of the date the plan was sent to each non-signing party.

To file in lieu of a Plan Progress Report form: This 60-day form may be filed instead of the Plan Progress Report form if the 60-day form is filed within 15 days before or after 30 months have passed from the date the 60-day Rehabilitation Plan form was filed. This means that by the time the 60-day form is filed in lieu of the Plan Progress Report form, the parties must already have signed the 60-day form. There must already be in compliance to the parties for 15 days. If all signatures are not obtained within the filing deadline, include evidence of the date the plan was sent to each non-signing party. See Minn. Rules 5220.0400, subd. 3(4).

Complete the form as expected. For the amended services, complete or amend only the services to be provided during this 60-day period. For "description" of the service, identify the activities to be performed within the service category (for example, attend medical appointments, medical-related communication, coordinate medical appointments) then list the "Projected Cost" and "Projected completion date" for each of the services. If there are barriers to completion of the rehabilitation plan, then attach a separate sheet listing the employee's name, WOB number/SSN and date of injury, along with the barriers to successful completion of the rehabilitation plan and measures to be taken to overcome the barriers.

To request a change of QRC: This newly assigned QRC must file this form and attach "Change in QRC" in the QRC adjustment section. If approval of a change of QRC is required by Minn. Rules 5220.0110 and the insurer has approved the change, the new QRC must circulate the form for signatures and file it with the department within 15 days of obtaining the signatures. Evidence of date of circulation to the parties with evidence of the date the plan was sent to each non-signing party.

To the parties:

If you disagree with the plan, you have 15 days from receipt of the proposed plan to resolve the disagreement or object to the proposed plan. The objection must be filed with the department on a Rehabilitation Request form.

Rehabilitation plan privacy and confidentiality

Private or confidential data you supply on this form will be used to process your worker's compensation claim. The data will be used by Department of Labor and Industry staff members who have authorized access to the data and may be used for state investigations and statistics. You may refuse to supply the data, but if you refuse your claim may be delayed or denied, or the form may be returned to you. The data will be made part of the department file for your claim and may be supplied to anyone who has access to the file or the data by authorization or court order: the employer and insurer for your claim; the Office of Administrative Hearings; the Workers' Compensation Court of Appeals; the Departments of Revenue and Health; and the Workers' Compensation Reinsurance Association.

Rehabilitation form availability

This form and access to the electronic submission format is located at www.dli.mn.gov/WC/Reforms.asp. The form can be made available in different formats, such as large print, Braille or audio. To request, call (651) 234-5032 or 1-800-542-5354.

Intent to commit fraud

Any person who, with intent to defraud, receives worker's compensation benefits to which the person is not entitled by knowingly misrepresenting, misstating or failing to disclose any material fact is guilty of theft and shall be sentenced pursuant to Minnesota Statutes § 609.52, subd. 3.

E-Signature

Please type your first and last name as they appear on your CAMPUS profile. By signing and dating this form, I certify copies of this form and attachments are being sent to the employee, insurer, any attorney(s), the Department of Labor and Industry and, if required, to the department's Vocational Rehabilitation unit (VRU).

Instructions to QRC

This form can be used in several ways and might be filed multiple times during the course of a rehabilitation plan.

To withdraw as the QRC: Use this form to withdraw as the assigned QRC from a rehabilitation file if the insurer has denied further liability for the injury for which rehabilitation services are being provided and a claim petition, objection to discontinuance, request for an administrative conference or any other document initiating litigation has been filed.

When you submit this form, this file will be routed to the Department of Labor and Industry's Vocational Rehabilitation unit (VRLU).

If the QRC elects to withdraw from a rehabilitation file where no litigation is pending for the liability issue, use the R-8 Rehabilitation Plan Closure form in accordance with Minn. Rules 5220.0510, subp. 7a(1).

Note: If you are a withdrawing QRC, you are **required** to attach documentation including services provided and associated costs to date.

Note: Upon submission, this RT is routed to VRU for review and services, if appropriate.

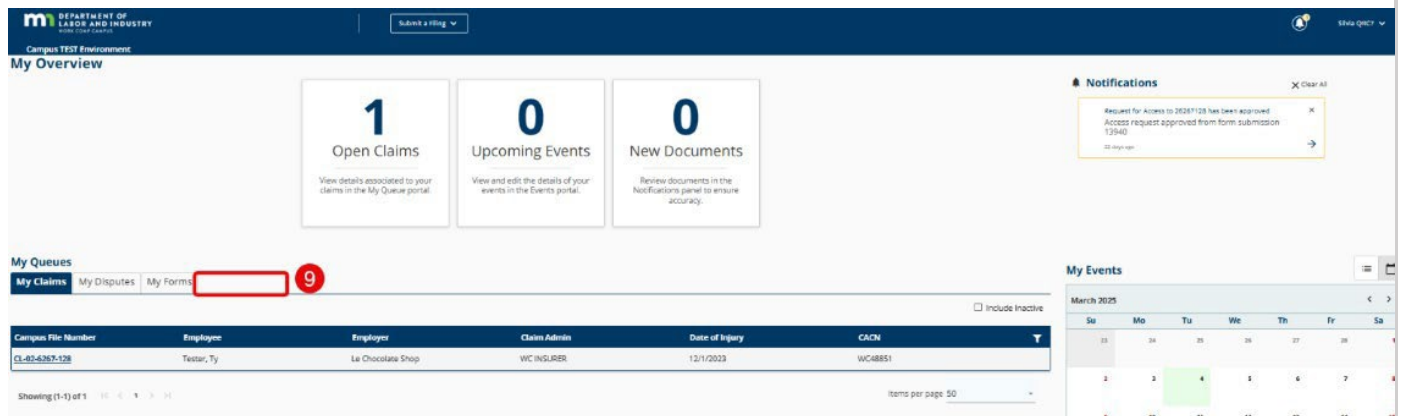

R-3 Rehab Plan Amendment - Withdrawal of QRC

The screenshot shows a confirmation screen titled "R-3 Rehab Plan Amendment - Withdrawal of QRC". It features a progress bar with four steps: "Assigned QRC", "Amendments", "Supporting Information", and "Confirmation" (the last step is highlighted with a red circle and the number 8). Below the progress bar, a red-bordered box contains the text "QRC assignment successfully submitted for tester qrc001 (0001)". To the right of this box is a red circle with the number 8. Below the box, the employee information is listed: "Employee: QARC Test" and "Associated ID: RT-02-6277-884". A link "View your Document" with ID "DO-02-6281-932" is also present. At the bottom, a message states: "A confirmation email has been sent to teststate1234-QRC001@gmail.com for your records." A red "CLOSE" button is in the bottom right corner.

9. At the dashboard, notice the employee's RT has been removed.

In this example, there was only one RT. Because the QRC has withdrawn, the **My Rehab Cases** tab is no longer visible. If the QRC is assigned to other rehabilitation transactions, they will continue to display under the **My Rehab Cases** tab.

The screenshot shows the "My Overview" dashboard for the Department of Labor and Industry. The dashboard includes a "Submit a Filing" button and a "My Overview" section with three cards: "1 Open Claims", "0 Upcoming Events", and "0 New Documents". A "Notifications" box on the right states: "Request for Access to 20241128 has been approved. Access request approved from form submission 13940. 20 days ago." Below the cards is a "My Queues" section with tabs for "My Claims", "My Disputes", and "My Forms" (the last tab is highlighted with a red circle and the number 9). A table below the tabs shows a list of claims with columns: "Campus File Number", "Employee", "Employer", "Claims Admin", "Date of Injury", and "CACN". The table contains one row with the following data: "CL-02-6367-128", "Tester, Ty", "Le Chocolate Shop", "WC INSURER", "12/1/2023", and "WC08851". A "Showing (1-1) of 1" and "Items per page: 50" are also visible. On the right, there is a "My Events" calendar for March 2025.
