This is to certify that the power limited technician of record for the technology system contractor named above is under contract to provide services for which a technology system contractor's license is required for the employer named below. As such, this power-limited technician will be responsible for planning, laying out, and supervising all technology system maintenance and repair work performed by that employer's registered unlicensed maintenance employees on the employer's premises, as permitted under Minnesota Statutes § 326B.33, subd. 21, and for compliance of such work with National Electrical Code safety standards, as required under Minnesota Statutes § 326B.35.

We, the undersigned, recognize that under Minnesota Rules 3800.3500, subp. 8, the maintaining and repairing of electrical wiring, apparatus, and equipment permitted to be done by registered unlicensed individuals under the supervision of a power limited electrician is limited to the adjustment or repair or replacement of worn or defective parts of technology circuit and system equipment and does not include the installation of new wiring, apparatus, and equipment or additions, alterations, or extensions to existing wiring, apparatus, or equipment.

We further understand that it is a misdemeanor under Minnesota Statutes § 326B.084 to knowingly and willfully make a false statement in any license application or other required form, or to perform or direct others to perform electrical work without the required license, and that under Minnesota Statutes § 326B.082, the Commissioner may revoke, suspend, or refuse to renew electrical licenses for such violations and may impose civil penalties up to \$10,000.00 for each violation.

We further understand that the department may require that the employer or designated responsible individual provide evidence of the manner in which they will comply with the requirements of Minnesota Electrical Act.

We will notify the Department of Labor and Industry immediately upon termination of employment of the power limited technician by the technology system contractor named, upon termination of the technology system contractor's contract with the employer of the unlicensed maintenance personnel, and of any changes of the unlicensed persons supervised.

We, the undersigned, declare that the information we have provided above is true and correct to the best of our knowledge, and agree to comply with the requirements of the Minnesota Electrical Act administered by the Department of Labor and Industry.
