

# State and Local Electrical Inspectors By County

**Updated December 3, 2018**

*Recent changes are highlighted below in red Italics*

*This directory is subject to frequent changes.  
Please check back often or refresh your web browser.*

*This list is sorted by county, authority having jurisdiction and then by city or township*

### VERY IMPORTANT

*Before filing an electrical permit or calling for an electrical inspection in a particular city or township please verify the appropriate \*Authority Having Jurisdiction (AHJ).*

*If the \*AHJ column indicates "State", please file the permit with the STATE.*

*If the \*AHJ column indicates "Local", DO NOT file the permit with the state. Contact the LOCAL city or township for more information.*

*Misfiled permits create extra work and expense, they delay the electrical inspection process*

See the end of this directory for a list of websites hosted by Contract Electrical Inspectors
