CODE BOOK

The 2020 Minnesota Accessibility Code is a custom code published for Minnesota by the International Code Council (ICC). It includes Minnesota's amendments into the body of changed sections and reads as a unified code book. It also includes a Minnesota chapter on Administration. There is no longer a need to separately purchase the ICC model code and Minnesota amendments and refer to them both. Now they are contained in a single reformatted Minnesota-specific code book.

The Minnesota Accessibility Code is available for purchase in soft-cover format. Free online viewing is also available.
