

# 2024 MINNESOTA COMMERCIAL ENERGY CODE

Minnesota Department of Labor and Industry

## 2024 MINNESOTA COMMERCIAL ENERGY CODE

- Provides energy-conserving standards for the design, construction, alteration, renovation and repair of residential four stories and more in height and all commercial buildings.
- Contains design and construction standards regarding heat-loss control, illumination and climate control.
- Located in Minnesota Rules Chapters 1323. This rule chapter adopts by reference ASHRAE Standard 90.1-2019, and Minnesota amendments to the ASHRAE Standard 90.1.

## EFFECTIVE DATE

- Commercial Energy Code ANSI/ASHRAE/IES Standard 90.1-2019 is effective Jan. 5, 2024.

## CODE BOOK

The 2024 Minnesota Commercial Energy Code is a custom code published for Minnesota by the International Code Council (ICC). It includes Minnesota's amendments into the body of changed sections and reads as a unified code book. It also includes a Minnesota chapter on Administration. There is no longer a need to separately purchase the ICC model code and Minnesota amendments and refer to them both. Now they are contained in a single reformatted Minnesota-specific code book.

Code books are available for purchase and free, online viewing is also available.

## TO VIEW CODES ONLINE FREE

- Visit [www.dli.mn.gov/business/codes-and-laws](http://www.dli.mn.gov/business/codes-and-laws) to view the code.

## TO PURCHASE CODE BOOKS

- International Code Council
