PETITION TO VACATE the FINAL ORDER DETERMINING LATE FILING

BellPro Architectural, LLC (BellPro) issues this letter as a Petition to Vacate the Final Order Determining Late Filing. BellPro requests an oral argument before the OSH Review Board.

BellPro disputes the allegations the company did not respond within 20 days of receipt of the Citation and Notification of Penalty.

The individual who signed for mail receipt was not in a position of authority and was not the addressee Mr. David Bell.

BellPro has been following the CDC and the Minnesota Department of Health guidance along with Minnesota Governor Tim Walz's orders to prevent the spread of COVID-19. BellPro has had limited operations and staff in place since March of 2020 due to COVID-19.

Upon receiving the Citation and Notification of Penalty the owners and leadership team reviewed notification and citations and responded within the required 20 days.

BellPro continues to follow the Governors Order to prevent the spread of COVID-19 and would appreciate all future correspondence be sent to my email listed below as well as via U.S. Mail.

Respectfully,

A handwritten signature in black ink that reads 'Paula Konczal'.
