

Rochester District 6

MnDOT
Headquarters

The Rochester District 6 Headquarters building is located on the northwest side of Rochester running parallel to Highway 52. Exits on either 37th Street or 55th Street allow for easy access to the west Frontage Road, as the map shows. Only the north entrance can be used by non-employees to the headquarter building. All visitors are required to sign in at the Reception desk before entering the other areas of the building.
