

INDUSTRY 2023 WCAC AGENDA

1. PPD: 5% one time adjustment back to 2018.
2. Statute of Limitations: Moving to a firm 3 years in all instances.
3. Choice of Provider: Expanding the process as adopted by the Union Construction Program into additional industry sectors.
4. PTSD: Mandating a broad based study of the issue to best determine treatment protocols, financing and program placement with recommendations for a 2024 implementation.
5. Agricultural part-time worker wage definition: Creating a new wage definition in order to more accurately reflect seasonal work realities.
6. Vocational Rehabilitation: Allowing a Disability Case Manager as an alternative to a Qualified Rehabilitation Consultant for vocational rehabilitation purposes up to 6 months post injury.
7. Medical Authorization: Adopting firm timelines for the execution of medical authorizations with consequences if not fulfilled.
