*******ONE-YEAR WARRANTY** all homes are backed by a limited one-year warranty. Naturally, the best warranty is the one you never have to use. You can be sure we stand behind each home built. Because, when you build them better, you can back them better. (See the Home Owner's Manual for complete details.)

*******BUILT TO LAST** The HOMARK Company, Inc., whose policy is one of continual product improvement, reserves the right to change prices, specifications and material without incurring obligation. All homes are built to meet or exceed the National MFD Housing Construction and Safety Standards Act of 1974 (HUD CODE).

*****Lengths and widths indicated are approximate overall dimensions. Lengths shown include approximately four feet for the tow hitch. Square footage measurements are approximate.
