DEPT OF BUILDING CODES STDS.

*****ONE-YEAR WARRANTY....all homes are backed by a limited one-year warranty. Naturally, the best warranty is the one you never have to use. You can be sure we stand behind each home built. Because, when you build them better, you can back them better. (See the Home Owners Manual for complete details.)

*****BUILT TO LAST....our policy is one of continual product improvement. We reserve the right to change prices, specifications and materials without obligation. All homes are built to meet or exceed the National Manufactured Home Construction and Safety Standards Act of 1974 (HUD Code).

*****LENGTHS AND WIDTHS.... indicated are approximate overall dimensions. Lengths shown include approximately four feet for the tow hitch. Square footage measurements are approximate.
