

**Conversion factor changes for October 1, 2023
in the Minnesota workers' compensation
Hospital Outpatient Fee Schedule (HOFS)**

Hospital type	Minnesota conversion factor as of Oct. 1, 2022	Reduction to 2022 conversion factor [1]	Minnesota conversion factor as of Oct. 1, 2023 [2]
Large hospitals [3]	\$209.62	-3.0%	\$203.33
Small hospitals [4]	\$395.88	-3.0%	\$384.01

[1] Under Minnesota Statutes § 176.1364, subd. 3(g), DLI must reduce the HOFS conversion factors by 3% for hospital outpatient services effective October 1, 2023.

[2] This new conversion factor is obtained by applying the 3% reduction to the 2022 conversion factors as required by Minnesota Statutes § 176.1364, subd. 3(g).

[3] These are Minnesota hospitals with more than 100 licensed beds.

[4] These are Minnesota non-critical-access hospitals with 100 or fewer licensed beds.
