Re: In the Matter of the Proposed Permanent Rules Governing High Pressure Piping Systems
OAH 71-9001-34987; Revisor R-4472

Dear Mr. Landy:

Enclosed herewith and served upon you is the ORDER ON REVIEW OF RULES UNDER MINN. STAT. § 14.26 in the above-entitled matter. The Administrative Law Judge has determined there are no negative findings in these rules.

The Office of Administrative Hearings has closed this file and is returning the rule record so that the Department can maintain the official rulemaking record in this matter as required by Minn. Stat. § 14.365. Please ensure that the agency’s signed order adopting the rules is filed with our office. The Office of Administrative Hearings will request copies of the finalized rules from the Revisor’s office following receipt of that order. Our office will then file four copies of the adopted rules with the Secretary of State, who will forward one copy to the Revisor of Statutes, one copy to the Governor, and one to the agency for its rulemaking record. The Department will then receive from the Revisor’s office three copies of the Notice of Adoption of the rules.

The Department’s next step is to arrange for publication of the Notice of Adoption in the State Register. Two copies of the Notice of Adoption provided by the Revisor’s office should be submitted to the State Register for publication. A permanent rule without a hearing does not become effective until five working days after a Notice of Adoption is published in the State Register in accordance with Minn. Stat. § 14.27.
If you have any questions regarding this matter, please contact Katie Lin at (651) 361-7911 or katie.lin@state.mn.us.

Sincerely,
