BOR AND INDUSTRY

What's left for the Program?

Now – June 2020

Now – Summer 2020

Now – Summer 2020

Early 2020

Summer 2020

Implementation phase: Developing system and designing user interface.

Stakeholder partnerships: Providing regular communications and updates about our implementation progress, planned system functionality, testing and training opportunities.

User acceptance testing: Working with testing partners from representative stakeholder groups to confirm application functionality.

Stakeholder preparation: Engaging stakeholders through targeted communications and training.

System go-live: Ensuring stakeholders are supported, WCMP team will be available for questions and assistance.

Frequently Asked Questions

Q: Will my organization be mandated to register with Campus?

A: No, but if you would like to access your claims on-line and in real time and receive paperless documents you will need to register.

Q: How do I manage access within my organization?

A: At the time of registration you will be required to identify a Group Manager. That person will then grant or rescind user access within your organization.

Program Updates

- We have made adjustments to accommodate COVID-19 precautions and have still met every schedule and quality milestone!
- Currently we wrapping up Requirement Gathering and preparing for the final phases of User Acceptance Testing.
- Training modules are being developed for pre-go-live distribution to all Stakeholders.

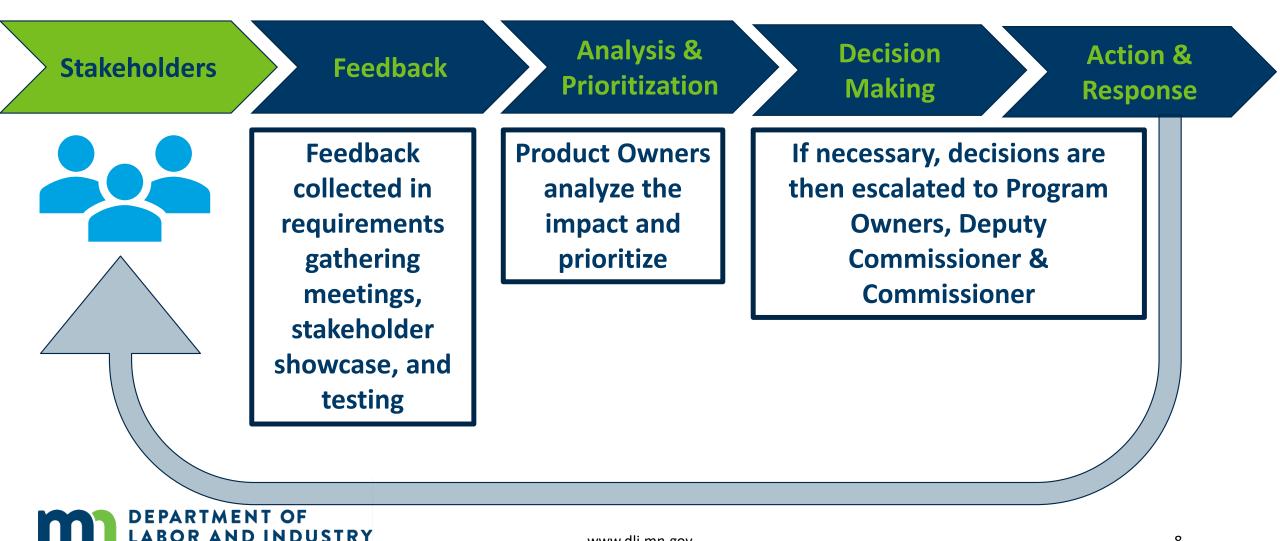

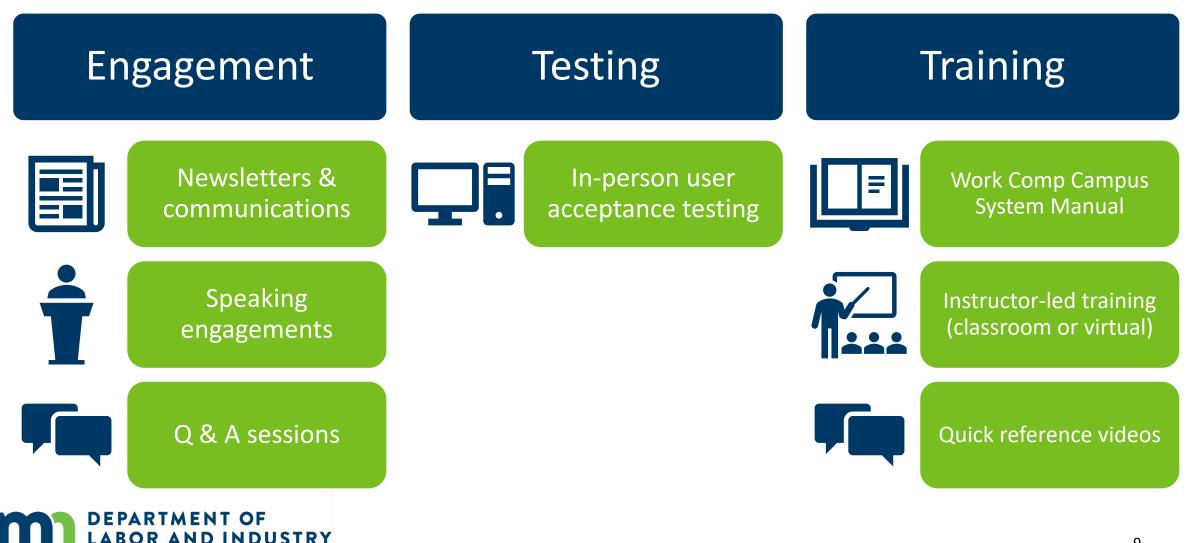

Campus Feedback

Thomas Hanson – Special Compensation Unit Supervisor

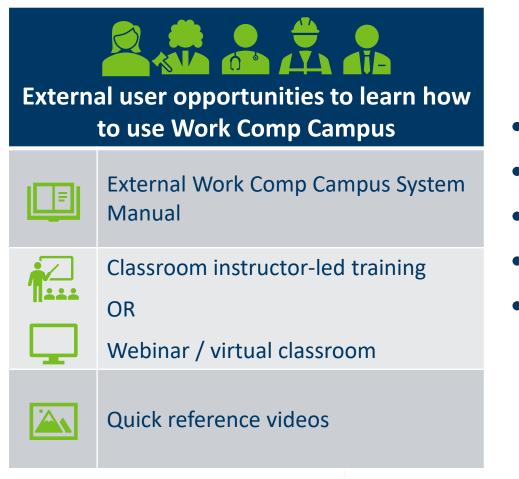

Feedback loops are critical to the Program's success

We're committed to getting you ready to use the system
