What’s left for the Program?

**Implementation phase:** Developing system and designing user interface.

**Stakeholder partnerships:** Providing regular communications and updates about our implementation progress, planned system functionality, testing and training opportunities.

**User acceptance testing:** Working with testing partners from representative stakeholder groups to confirm application functionality.

**Stakeholder preparation:** Engaging stakeholders through targeted communications and training.

**System go-live:** Ensuring stakeholders are supported, WCMP team will be available for questions and assistance.
