Welcome to the Minnesota Workers’ Compensation Campus!

The Workers’ Compensation Campus (Claim Access and Management Platform User System), is your new hub for all workers’ compensation claims and filings with the Minnesota Department of Labor & Industry.

Campus allows easy access for all parties to a workers' compensation claim. Quicker access to claim information online will ensure work injuries are reported and compensated in a streamlined process.

www.dli.mn.gov
Entities vs. Transactions

Entities
Entities are the **parties that exist** in the system to which transactions can be associated

- Injured Worker
- Employer
- Insurer
- Trading Partner
- TPA
- QRC Firm
- Health Care Provider
- State Agency
- Law Firm

Transactions
Transactions are the **“things” that will be worked on**

- Appeal/Petition to Vacate
- Claim
- Dispute
- Event
- Reimbursement
- Coverage Investigation
- Election
- Compliance Audit
- Compliance Case
- Penalty
- Rehab Case
- Settlement
- Case Service Funds
- Prepaid Cards
- Receivables
- Medical Policy Violation
- Outgoing Payment
- Payment/Adjustment
- Intervention Case
- Job Placement Case
**Details Pages** allow internal users to create, view, and edit new entities & transactions and allow external users to view and submit forms to entities & transactions

- Each Transaction and Entity has a Details Page
- Some transactions are viewable by external users
Common Elements of Entity Details Pages

• All entities will receive a system-generated unique identifier
  • Format of unique identifiers will be determined in Cycle 1
• Entity Names are captured as Legal Name and DBA Name, and name changes are shown in the History Tab
• Related Claims display all the claims where that entity is referenced as a party
Campus will put the workers’ compensation claim information you need at your fingertips

- Self-service online access to claims, related documents, events and outcomes.
- Securely send e-documents to the parties to the claim.
- Securely send and receive data between DLI, OAH and WCCA.
- Minimize claim errors through data accuracy verification.

Before we get started...

You’ll notice that screenshots in this deck are annotated with red numbers and text...

• These are from the **User Manuals** which are available to you outside of this training.

• After this course, we’ll provide these Manuals, which are your step-by-step guides to completing the actions in this presentation.
Registering in Campus
As a new user to Campus, you will need to register your account to access the system.

1. Go to the Campus website: https://b42tawappsvc002.doli.state.mn.us/user/login.
2. Select Sign Up.
3. Complete fields marked with an * in the About Me and Contact sections.
4. Enter a valid email address and create password.
5. Click the required boxes.
6. Click Sign Up to register your Campus account.

*A verification email will be sent to the email address that was used to sign up. You will need to access the email and confirm prior to logging into Campus.
Logging into Campus
If your account is already registered in Campus, follow the steps to log in.

1. Enter the registered email and password.
2. Click Login.
3. Click I Agree.
Campus User Profile
You can easily edit required information in Campus via the Your Profile page.

1. Click Forgot Password.
2. Enter your email address.
3. Click the reCAPTCHA box.
4. Click Submit to continue.

*The email address that you entered will then be sent an email with directions on how to create a new password. Campus passwords expire every 90 days and you will be prompted to reset at login.
Campus User Profile
You can easily edit required information in Campus via the Your Profile page.

1. Click the down arrow on the top navigation.
2. Select Edit Profile.
3. Add or edit About Me and Contact Information as needed.
4. Click Save when finished.
In this demo, you will see how to...

- Sign up for Campus
- Log in to Campus
- Navigate to and Edit a user profile
The Dashboard is the starting point for users to be able to navigate and perform all necessary job functions.

The Campus Dashboard is where you can see:

- All related claims, upcoming events, and documents
- Queues, which will organize all work to be completed
- Notifications, which provide updates on claims and cases in progress

*When in doubt, navigate to the Dashboard-- what you need next may be there. Click on the MN Logo from anywhere to go to the Dashboard.*
Forms Queue
Found at all times on the Dashboard, the Forms Queue will show all forms that you have submitted related to any of the Claims or Cases you have access to. Hardcopy forms are no longer required in relation to a Workers Comp Claim, as you can submit and see the status in Campus.

The Forms Queue is always on the Dashboard, and it will:

• Show all forms submitted to which you have access
• Show relationships between the form filed and the case to which it was filed
• Show status of any filed form
• Provide access to download copies
Viewing Notifications
Notifications are system generated messages that can either be specific to tasks that need to be completed or simply an informational message.

Notifications are always on your screen, next to your profile.

You’ll get a notification automatically when something happens to a case or claim you’re on, like:

- An event is scheduled or upcoming
- A form has been approved
- A scheduling poll has been sent out
- A document is uploaded. In some cases you can download a document right from the notification!
• An employee can access Campus to submit an Injury Report and alert Minnesota DLI of a work-related injury.
• This functionality allows an injured worker to report that they are injured even though there is not a Claim on file.
• To access, click the Submit a Filing drop down arrow to access the menu.
• The Employee information that is required is noted with an asterisk (*).
• Once complete, click Submit Form to save and submit the information to DLI or Cancel to exit without saving.
In this demo, you will see how to...

- Explore the Dashboard
- View Notification Menu
- Submit an ad-hoc Injury Report
Groups In Campus

• The **My Groups** screen lists the group that you are associated with.
• Each group that you are associated with shows the **Permissions**, **Group Admins**, and **Date Joined**.
Groups In Campus

- Groups in Campus allow for users to be associated to claims and cases that they need to access.
- Access to claims and cases will be granted to the Group, and then your membership to that Group will allow you to manage the information as needed.
- If you need to delete a member in this Group, click the **Remove Member** icon.

The external user submitting a Motion to Intervene on a Dispute must require legal service.

After selecting the applicable Dispute ID hyperlink, you will be taken to the Dispute Details page.

Select Motion to Intervene from the drop-down menu and Save. This will take you to the webform, where you will go through the steps of filing the motion.

In filling out the Intervention details, anything with an asterisk (*) is required.

Add any Supporting Attachments by clicking the +Upload Document button to continue.
Serving Documents
Serving documents allows you to serve the intervention to select parties on the dispute.

- In the Serve Parties step, all parties on the dispute will be displayed. The user can click the checkbox in the *Serve Party* column to select who gets served.
- Each party will set their own preferred *Service Method*, which is how the motion will be served.
- You can also manually add service recipients by clicking on the *+Add Service Recipient* button.

Serving Documents
Serving documents allows you to serve the intervention to select parties on the dispute.

- In filling out the information, anything with an asterisk (*) is required.
- All boxes must be checked to declare and confirm, and your Electronic Signature must be entered exactly as it is in your Campus profile.
- Once the filing is submitted, you can find a record of it by going to the My Forms queue on the dashboard and clicking on the hyperlink under Form Type.
When you are served a document electronically, you will receive an email indicating that there is a document available for you to view.

This email will only contain basic information about the document and associated transaction.

Once you click the hyperlink to log in and enter your log in credentials, you will be taken to the Document Details page in Campus.
External users will also be served documents.

- Each external entity will have an assigned group admin, and the group admin can assign another user, or themselves, as the Service of Process Designee.
- From the Dashboard, click on your username on the top right and select My Groups from the dropdown menu.
- To assign a Service of Process Designee, click the kabob icon and choose Manage Group.
- On this page, it will show all Active Members and their roles. To assign a role to a user, click the Edit option in the Permissions box under their name.
Once this is done, if a document needs to be served on the entity, the user assigned to this role will receive that document.
The **Document Details** page shows additional information about the document along with related links to associated transactions that can be viewed.

To access the page from the Dashboard, click on the **My Forms** queue and click on the hyperlink under **Form Type**.

The **Related Links** section is useful and shows any additional transactions associated to the document and can be viewed by clicking on the hyperlink.
