

State and Local Electrical Inspectors By County

May 12, 2021

Recent changes are highlighted below in red Italics

*This directory is subject to frequent changes.
Please check back often or refresh your web browser.*

This list is sorted by county, authority having jurisdiction and then by city or township

VERY IMPORTANT

*Before filing an electrical permit or calling for an electrical inspection
in a particular city or township please verify the appropriate
Authority Having Jurisdiction (AHJ).

*If the *AHJ column indicates "State", please file the permit with the STATE.*

*If the *AHJ column indicates "Local", DO NOT file the permit with the state.
Contact the LOCAL city or township for more information.*

*Misfiled permits create extra work and expense, they delay the electrical inspection process
and they may result in costly construction delays for the entire project.*

See the end of this directory for a list of websites hosted by Contract Electrical Inspectors
