Use this table if the bill contains at least one service with a J1 status indicator (SI).

1. Is the bill from a critical access hospital?
   - Yes: Pay 100% of the charges.
   - No: Pay under HOF5 statute (Minn. Stat. 176.1364).

2. Is there at least one service with a J1 SI on the bill?
   - Yes: Pay the J1 service with the highest relative weight at 100% of the HOF5 amount. Pay any other services with a J1 SI at 50%.
     - EXCEPTION: Is there an implantable device with an H SI?
       - Yes: Pay implant at 85% of the hospital's usual and customary charge.
       - No: No additional payment is made for any service except the J1 service(s).
     - All other services are packaged into this amount.
   - No: Pay the HOF5 amount for the service with the J1 SI only.

Definitions:
1) HOF5 means the workers' compensation hospital outpatient fee schedule posted on the DLI website.
2) SI means the Status indicator, assigned by Medicare in OPPS Addendum A or B, for a specific HCPCS code.

In developing this flowchart, the Department of Labor and Industry has made every effort to accurately reflect the requirements codified in Minnesota Statutes § 176.1364. The statutory language controls in the event of a difference between these instructions and the statute.
