

## CODE BOOK FACT SHEET

# 2020 MINNESOTA PLUMBING CODE

Minnesota Department of Labor and Industry

## 2020 MINNESOTA PLUMBING CODE

- Regulates the design and installation of plumbing systems statewide for all buildings including new, additions, alterations, repair and replacement
- Contains requirements for drain, waste, and vent systems, water supply and distribution systems, backflow prevention, water conditioning equipment, roof drainage systems, plumbing fixtures, materials and non-potable rainwater catchment systems.
- Minnesota Rules, Chapter 4714. The rule incorporates by reference Chapters 2 to 11, 16, and 17 of the 2018 edition of the Uniform Plumbing Code (UPC), and UPC Appendices A, B and I, with Minnesota amendments.

## EFFECTIVE DATE

- The new amendments to the Minnesota Plumbing Code, Chapter 4714, are effective **Dec. 17, 2021**.
- The current Minnesota Plumbing Code remains in effect until then.

## CODE BOOK

The 2020 Minnesota Plumbing Code book is published by the International Association of Plumbing and Mechanical Officials (IAPMO) for Minnesota in a single, reformatted custom code book. It incorporates Minnesota amendments and reads as a unified code book. It also includes Chapter 4716, Plumber Licensing and Apprentice Registration, and Chapter 1300, Minnesota Administration Code.

The 2020 Minnesota Plumbing Code is available for purchase in a soft-cover format or eBook. [Free online viewing is also available.](#)
