As the board chair, I have determined today’s meeting is via the WebEx platform due to the COVID-19 pandemic. Per Minnesota Statutes, section 13D.021, of the Open Meeting Law, electronic meetings are acceptable when an in-person meeting is “not practical or prudent because of a health pandemic or an emergency declared under Chapter 12.” It is not practical or prudent to hold an in-person meeting because, consistent with MDH guidance, the usual meeting place is not open to the public due to the COVID-19 pandemic.
      • Board members and attendees present on this WebEx are able to hear all discussions.

   A motion was made by Marquis, seconded by Wickland, to initiate the rulemaking process for the RFC process and to proceed with publishing the Request for Comments. The roll call vote was unanimous with 13 votes in favor; the motion carried.

7. **Complaints**
   Nothing brought forth

8. **Open Forum**
   No discussion
9. **Board Discussion**
   - Kincs asked about open meeting laws and email communications among board/committee members. Lebowski said board/committee members cannot have communications outside of meetings – if a quorum responds this would be a violation of an open meeting law. All comments must occur only during public meetings.
   - Worms asked how the Board could incorporate CO2 since it is prevalent in the State of Minnesota. Green said the Board does not have the authority to incorporate CO2. Lebowski said the Board’s authority is limited by statute – the Board would need to ask the legislature to make a statutory change.
