

Workforce Community Conversation - Online Edition Owatonna and Southern Minnesota

Learn about Minnesota Dual-Training Pipeline and how it can help your company meet its workforce needs, especially during these challenging times.

Join Pipeline staff in a fast-paced and interactive web-based community conversation to share your unique workforce challenges and successes affecting your business and your community, connect with other business leaders and learn about Minnesota Dual-Training Pipeline.

Why Minnesota Dual-Training Pipeline?

Minnesota Dual-Training Pipeline is an innovative approach to address current and future workforce needs through employment-based dual training. The program works with employers to change the conversation from “How do we find workers with the skills we need?” to “How do we GIVE workers the skills we need?”

Minnesota Dual-Training Pipeline focuses on advanced manufacturing, agriculture, health care services and information technology.
