- **Learn** about Minnesota Dual-Training Pipeline and Youth Skills Training.
- **Share** ideas and suggestions about how best to meet workforce needs.
- **Ask** questions of Department of Labor and Industry staff members.

What is Minnesota Dual-Training Pipeline?

Minnesota Dual-Training Pipeline is an innovative approach to address workforce needs through earn-and-learn employment-based dual training, where the employer invests in their employee by providing training in competency standards to equip the employee with the specific knowledge and skills necessary for a particular occupation. Minnesota Dual-Training Pipeline focuses on advanced manufacturing, agriculture, child care, health care services, information technology, legal cannabis industry and transportation.
